

A NEW INNOVATION IN FITNESS EQUIPMENT

INTRODUCING THE NORDIX

The most effective and durable training tool to perform and master the Nordic/Razor curl.

UK Manufactured

By utilising scientific research to
successfully bridge the gap between
injury and excellence!

www.nordixfitness.com

Nordix Quality

Nordix Fitness equipment is made using heavy duty steel and is 100% designed, engineered and manufactured in Great Britain.

Each product is produced to the highest standard with care and consistency so that it will continue to deliver for years to come.

nordixfitness.com

Designed to facilitate the
Nordic curl and all its
Variations...

Nordix is affordable

A healthy, functioning, pain-free body is something that should be attainable for everyone! With that in mind, balancing between quality and affordability can be tricky. We strive to price our products fairly and truly believe they represent the best value for money
